DRAWING BY ISRAEL ROTH, FROM WISCONSIN

Dear Johnny DC,

My favorite character is Bubbles because she talks cute. She is very sweet and is kind to others.

Dear Johnny DC,

I wrote back in POWERPUFF GIRLS #62. You spelled my name wrong, but it's okay. My writing has gotten messier.

Anyway, this issue was one of my favorite comics! The reason is that it had how to draw the Powerpuff Girls, a tour of the Professor's lab, a maze, and a story of teamwork. I like how Blossom wasn't selfish that she was the leader. Instead, she tried to get help from Mojo to bring her sisters back together.

My old character Mojo was a bad guy.

My new character is a girl named Violet.

Readers have written back again (that's nice) and readers have sent me their characters, but this is the first time a reader has written back to tell me what her character is up to!

— Johnny DC

My new character is a girl named Violet.

Dear Johnny DC,

I have made three new characters. One of them has super speed, ice breath, fire lasers, and love potions and her name is Breeze. The other one has fire breath, tornado spin, and invisibility. Her name is Violet. The last one has super strength, stretch, and explosions, and her name is Vanessa. I hope you enjoy what I have written.

Marissa Lara Grassa, age 7
Sedona, Arizona

How can I not like fire lasers, fire breath, explosions, and love potions?

— Johnny DC

DRAWING BY MARISSA LARA GRASSA

Dear Johnny DC,

My favorite Powerpuff Girl is BUBBLES. For some reason, right when I saw her, she immediately caught my eye. I don't know why my mom thinks my drawings are so good, though, because I think they are only OK!

I know you must hear this a lot, but I am definitely your Biggest Fan! I wish I could see you in person, but I doubt that will happen, will it?

Autumn Rose Carlson, age 8
Webster, New Hampshire

You and your mom are both right about your drawings. A fan likes how good something is, but an artist always wants to be better!

— Johnny DC
